## ***Two Oklahoma Municipal Court Clerks Honored***

---

Two Oklahoma court professionals were honored at the Oklahoma Municipal Court Clerk Association (OMCCA) annual spring conference held in Stillwater. Each year the OMCCA gives two Court Clerk of the Year awards to recognize individuals who have made significant contributions to the Municipal Court in Oklahoma as well as their profession. The Ann Thompson Award is for experienced clerks who have served more than five years and the New Horizon Award for new clerks who have served less than five years.
